

## Fall 2018 Newsletter

---

### Ongoing Expansion in the Dominican Republic

We are excited that our partnership with the Assemblies of God in the Dominican Republic (D.R.) that began in 2009 has grown to become a national effort to train ministry leaders. We are now mobilizing key trainers and regional leaders to implement the LTI program across the country.

Terry traveled there to attend a Start-Up Event conducted by a D.R. Advanced Training Team. As a result of this effort, seven new leadership training sites will be started. We are encouraged by their zeal to multiply leaders.

Currently, they continue progressing toward their goal of seeing dozens of churches implement the LTI program in the next few years. They desire to have hundreds of well-trained laborers for the Lord of the Harvest.

### Summer Internship at LTI

This summer LTI had the pleasure of having Kamilah Bowers as our intern from Regent University. Kamilah has obtained her Master's of Education and is now working to complete her Master's of Divinity from Regent.

She completed the LTI program at Covenant Church in Chesapeake, VA and has expressed how much it positively impacted her life. We were so grateful to have her as she worked on the team that helped write new tests for the LTI curriculum.

She has 3 children, Jhasmine, who is currently earning a Master's degree in Forensics Psychology at Liberty University; and her twins, Jonathan and Jenae who are both high school seniors. God bless you, Kamilah!

## LTI Welcomes Newest Board Member

We are very thankful for our newest board member, Curtis Hoessly. Curtis is a long time devoted Christian man who brings many decades of organizational and business experience to our LTI team. Since 2007, Curtis and his wife, Robin, have owned Seven Sevens, Inc. which is an umbrella company over 7 different businesses. Their largest business, Allegra Marketing, Print, Mail, & Image 360, handles the printing of all of LTI's training material.

The Hoessly's are family-oriented and operated, as their two children and several grandchildren all work with the family businesses. Curtis and Robin have been members of New Day Church in VB for over 20 years and serve on their leadership team. We thank God for Curtis and his expertise, wisdom, and generosity.
