

Compassion International in El Salvador

Upper: Compassion International Graduates 2018

Lower Left: Compassion International Executive Staff

Lower Right: LTI Representatives Carlos & Raquel Hernandez

LTI has formed a dynamic partnership with Compassion International in El Salvador. Our LTI Representatives, Carlos & Raquel Hernandez taught the LTI program over 12 months to a group of Compassion International staff members, with 18 graduating this spring.

Carlos & Raquel selected five key graduates and certified them so they will be the Instructors in the next cycle of training. Compassion International intends to expand the training throughout their organization and related churches. Multiplying leaders for God's Kingdom!

Super Hosts: Earl & Suzanne Webre

Earl & Suzanne Webre have been monthly financial supporters of LTI for over two decades! In addition, they graciously serve as hosts for out of town visiting ministry leaders and missionaries for LTI! The Webre's have had guests from many nations and many US states. Together, we help complete the Great Commission!

Orlando, FL: Training Hispanic Leaders

Certified Instructors and Team Leaders for
First Baptist Orlando Hispanic Congregation

Training in action at First Baptist Orlando

First Baptist Orlando has a Hispanic Congregation of over 800 people! Their congregation has tripled in just the past few years. Orlando & Irma Rodriguez are retired UPS Managers who came to Orlando, Florida from New Jersey. They had gone through the LTI program in New Jersey and became Instructors there. They saw the need in Florida and have implemented the program in Spanish for the Florida Hispanic congregation. They launched the program with 30 key leaders for their initial cycle. We look forward to strong results and continued expansion!
