Certified Instructors & Team Leaders

The IPHC Atlantic Region, called Redemption Ministries, sent Rev. Terry + Lianne Nutter to conduct the startup in Kiev. They also funded the translation of LTI's revised startup materials into Russian.

They worked with Bishop Valeri Reshetinsky to implement the LTI program at their central ministry training center. The current plan is three-fold: 1) Train leaders at the training center, 2) Conduct a training track for the 209 IPHC pastors in Ukraine, and 3) Open the program up to any of the 209 churches.

USA Ministry: Hispanic Churches

LTI has expanded our partnership with the IPHC by providing the LTI program to any of the Hispanic Churches in the Atlantic Region (Redemption Ministries Conference).

24 Certified Instructors

Kevin Hinman, Diane Moore and Brad Woods went to Maryland and held a mass certification event for 24 new instructors & 20 small group team leaders. Five churches from VA & MD were represented. Their programs will launch this year.

Once again, Bishop Dayton Birt formed the partnership by establishing an umbrella agreement with LTI and any of the now 16 Hispanic churches in the conference. LTI is seeing a growing number of Hispanic churches implement our program in the USA.
